

ENT CYMRU WALES 2016

ACADEMIC MEETING
St Brides Hotel
Saundersfoot

PROGRAMME

7TH OCTOBER 2016

10.00

REGISTRATION

Coffee & Trade Fair

10.30

PRESENTATIONS

12.00

LUNCH

Buffet Lunch, Trade Fair & Posters

1.00

PRESENTATIONS

2.45

BREAK

Coffee, Trade Fair & Posters

3.15

PRESENTATIONS

5.00

PRIZES

Rep prize draw

Training Centre of the Year

Trainer of the Year

Poster

Junior Presentation

Senior Presentation

8TH OCTOBER 2016

9.30

CONSULTANT BUSINESS MEETING

Presentation

Evaluation of Training Days. Sarah Healey

Papers

Auditory Distraction in simulated emergency ENT Scenarios: Are there measurable detrimental effects on performance

Mustafa Jaafar CT2

Retention of Information in New patients following their first appointment in the ENT Outpatient Clinic

Anna Waterfield GPST1

Optimising ENT Teaching in Wales: Does Videoconferencing have a role?

James Heyman CT1

Post Traumatic Stress Disorder in Head and Neck Cancer Patients- a Service evaluation

Carys Whittet Medical Student

Are Radiologists aware of their boundaries?

Emma Hallett Clinical Fellow

Dislodgement force in various tracheostomy securing techniques

Darren Yap CT2

The Danger Zone- Level V lymphadenopathy

Max Cunnane CT2

Malignant Otitis externa - under pressure

Rhodri Jones CT2

Development of an engineered honey (Surgihoney) as a novel adjunctive biofilm-targeted therapy in staphylococcus aureus chronic rhinosinusitis

Ali Salamat ST3

The effects of auditory and visual distraction on a simple and complex simulated endoscopic task in novice participants

Robert Mcleod ST3

Is there a link between waiting times and hearing deterioration in patients with cholesteatoma

Pranter Brahmabhatt ST3

Audit of laryngeal lesions treated with laser

James Howard ST4

Assessment of incompletely excised head and neck skin lesions: Does site effect rate of incomplete excision? A retrospective review of 1474 cases

Louise Evans ST4

Doctors vs Google: Do we really live in an information age?

Dan Leopard ST4

Incidence and risk factors for hypocalcaemia following laryngectomy

Andrew Harris ST5

Investigating the role of the novel cytokine IL-35 in the regulation of anti-tumour immunity against Head and Neck cancer

Ali Al-Hussaini ST6

Development of a patient information leaflet for MRI IAM (Adult hearing loss pathway)

Vibha Jaiswal ST7

Who and what are we following up?

Tony Moorhouse ST7

Auditing patients views of consent in ENT surgery

Adam Shakir ST7

ISCP- How do we rate?

Rhodri Costello ST7

Contralateral tonsillectomy in tonsil SCC- what is the evidence?

Sarah Healey ST8

Systemic review of harmonic scalpel in parotid surgery and our experience

Mouli Doddi ST8

The STR annual exam- Driving up the standard?

Amir Farboud ST8

Contralateral neck metastasis in lateralised resectable advance stage oropharyngeal squamous cell carcinoma

Hannah Fox ST8

Posters

Use of android phone apps to detect hearing loss-A help or hinderance

Joshua Howkins FP2

Assessing the efficacy of surgery broadcasts as an educational resource: Comparing LION's 'live' with MED-EL's 'pre-recorded' surgical procedures

Pranter Brahmabhatt ST3

Serious tonsil infections versus tonsillectomy rates in Wales: A 15 year analysis

Darren Yap CT2

Necrotising epiglottitis of multipathogenic aetiology in an immunocompetent patient

Jake Ahmed CT1

Malignant Otitis Externa: Patient demographics and outcomes

Michael Hopkins CT1

Complete audit cycle of Otitis externa in casualty clinic after OE pathway introduction

Kirsty Davies CT1

Predictors of an extracervical approach for retrosternal goitre thyroidectomy: A thoracic surgical prospective

James Constable CT2

10 years of Deep Neck Space Abscess

Joanna Buckley CT2

Is what you see what you get? A comparison of radiological and operative findings in mastoid surgery

Adrian Cheung CT1

Case Report: Migratory Shark Bone

Elizabeth Mathew ST3 (LAT)

Tonsillitis in Secondary Care: Is there a case for an early Discharge pathway? A completed audit loop

Daniel Edwards CT 2

Does a dedicated tracheostomy list for ITU decrease waiting times

Sadik Quoraishi SHO

Glossolaryngectomy: a 12 year South Wales experience

Yasmine Kamhieh ST3

Why are we waiting? Audit of ENT journals timeline to publication

Rostram Namaghi F2

3 Audit cycle of adherence to the sore throat pathway in patients undergoing tonsillectomy

Ben Amer Clinical Fellow

The Clinical Teaching Fellow in ENT: A review of student learning

James Heyman CT1

A rare case of Paediatric Cochlear Implant Recurrent Swellings of Unknown Cause

Georgina Phillips Medical Student

The use and accuracy of free field hearing tests in 9 participants at the university hospital of wales

Simon Morris Medical Student

The Effect of Jaw thrust manoeuvre on the unconscious patient: A systematic review

Vidhi Unadkat Medical Student

Cholesterol Granuloma: A Paediatric case-report on this benign, rare but destructive late complication of mastoid ear surgery

William Rosser Medical Student

Creation of a 5% Propranolol hydrochloride formulation for topical treatment of superficial infantile haemangiomas

Simran Rai Medical Student

The effect of auditory distraction in the operating theatre: A literature review

Sioned Davis Medical Student

The Rate of spontaneous primary malignancy in early laryngeal carcinoma

Mac Cunnane CT2

ATTENDEES

Antony Howarth	Andrew Harries
Alagar Chandra-Mohan	Joanna Buckley
Geoff Shone	Robert Mcleod
Simon Browning	Louise Evans
Duncan Ingrams	Anna Waterfield
Samuel Fishpool	Adam Shakir
Vinod Prabhu	Toby Moorhouse
Sandeep Berry	Ali Salamat
Graham Roblin	Josh Howkins
Mark Preece	Jake Ahmed
Jonathan Clarke	Ed Abelardo
David Hill	Sadik Quoraishi
Ali Raza	Daniel Edwards
Mario Jaramillo	Ali Al-Hussaini
Steven S Backhouse	Kirsten Stewart
Graeme Jones	Kirsty Davies
Heikki Whittet	Max Cunnane
Ameeth Sanu	Carys Whittet
Laysan Pope	Simon Morris
Stuart Quine	James Heyman
Alun Tomkinson	Darren Yap
	Vidhi Vijaykumar
Pranter	Unadkat
Brahmabhatt	Rhodri Jones
Mohammed Arif	Mustafa Jaafar
Kannan	
Ramachandran	
Amir Farboud	Special Thanks to:
Dan Leopard	Sandra Ricardo
Sarah Healey	
Hannah Fox	
Khalid Mahmood	
James Howard	
Mouli Doddi	
Rhodri Costello	
Vibha Jaiswal	
Emma Hallett	
Hussein Ben Amer	
Emman Combella	
Michael Hopkins	

SPONSORS

Meda Pharmaceuticals	Alison Hunt
Severn Health Care	Andrew Plumptre
Magstim	Angharad Lewis
Smith & Nephew	Emma Cutts
DP Medical	Erica Hughes
Karl Stortz UK	Matthew Tweedale
RB UK	Tim Jenkins
ATOS Medical	Michael Barker
Delta Surgical	Kate Humble
